MBA Supports Your Rental Business by Offering You:

Rental Software

Easily optimize fleet utilization using the *Drag and Drop* feature of our rental calendar. Increase revenue per mile with flexible and comprehensive mileage tables. Identify key areas of vehicle profitability with our extensive extensive array of detailed reporting features. Earn incremental revenue with our *Special Options* feature and developed greater off season bookings by utilizing Rental Manager's *Seasonality Pricing* program. Rental Manager's vast feature set will make Rental Manager Software an essential part of your rental business.

RV Rental School

MBA offers a comprehensive two day training program designed to launch you into a successful rental business or enhance your current rental program. Course topics include: pricing, fleet-ing, staffing, check-in and check-out, vehicle con-signment vs. ownership, proper rental forms, poli-cies and procedures, etc...

Legal Assistance

State specific rental contracts designed to protect your business. You may review the guide to federal and state vehicle rental law to determine proper and legal business practices in your state.

Rental Operations Manual

MBA Insurance offers a 300 page RV Rental Operations Manual with complete information on "how to" start and manage an RV Rental business.

Supplemental Liability Insurance – SLI

Additional insurance coverage for the renter, pro-vides third party liability up to \$1,000,000.
