

MBA Insurance Introduces Auto Club of America's RV Fleet Road Assist

ACA provides RV Fleet Road Assist to support RV rental companies developing strong relationships with their customers. A brief look at the services available with RV Fleet Road Assist will confirm why this program is so successful for the rental companies and their customers:

- ▶ Twenty-four hour roadside assistance throughout the US and Canada
- ▶ A toll-free technical service help line
- ▶ Fuel delivery
- ▶ Battery service
- ▶ Lockout service
- ▶ Flat tire assistance
- ▶ Emergency tow service
- ▶ Oil, fluids and water delivery

ACA's RV Fleet Road Assist packages the power of a nationwide-and-beyond network of professional travel service center operators who are dedicated to providing the finest roadside assistance in the event of a vehicle breakdown or similar travel distress situation. They have specialty training in RV assistance and the necessary equipment to handle the most challenging situations.

Keep the
"Dream"
in Dream
Vacations

Recreational Vehicle rental companies now have the ideal roadside assistance program available for their RV rental customers. MBA Insurance has secured the services of Auto Club of America and its RV Fleet Road Assist, the program that is ready to help your customers if their RV has a problem on the road. MBA Insurance selected ACA RV Fleet Road Assist because of ACA's vast experience in the industry and its knowledge of the services the RV renting customers need. ACA has been providing these industry-unique services since 1976.

And the price makes it even better. The pricing structure is designed to provide customers with first class services at the most reasonable rates. It's based on a minimal monthly fee and a per customer occurrence. It is a no hassle agreement designed specifically for the RV rental industry.
